

Please note: this plan is an addendum to the Pascoe Vale Uniting Church's COVIDSafe Plan.

Overview

This plan accepts that the health, safety and wellbeing of our gymnasts, parents, guardians, coaches, committee and the broader community are our number one priority.

This plan has been developed referencing both national directive and the Victorian government directives along with the following document: Pascoe Vale Uniting Church's COVIDSafe Plan.

This plan will remain flexible and will be adapted as and when COVID-19 restrictions are changed in line with all relevant governing bodies.

General Expectations

If a child displays any signs or symptoms of COVID-19 illness the parents/guardians will be contacted and asked to collect their child as soon as possible.
